

Communication and public speaking

Welcome to Your Path to Empowered Communication and Leadership

I'm thrilled to welcome you to a coaching experience focused on building stronger, more fulfilling connections in every area of your life. Through a unique blend of active listening techniques, clear communication training, and public speaking strategies, we'll work together to strengthen your leadership and relationship-building skills. Whether you're looking to speak with more clarity, lead your team with empathy, or build trust in your personal relationships, this service is designed to meet you where you are and empower you to move forward with confidence.

Each session is tailored to provide practical tools and insights, fostering personal growth and deepening the way you connect with yourself and others. Let's start this journey toward meaningful, impactful communication and compassionate leadership that leaves a lasting legacy.

1. Active Listening & Imago Dialogue Coaching

Service Overview: This coaching session focuses on building authentic, empathetic connections through the Imago Dialogue method. By practicing active listening, clients learn to listen deeply and mirror back what they've heard, which can greatly improve understanding and emotional connection in both personal and professional relationships.

What's Included:

- **One-on-One Coaching:** Practical exercises to strengthen active listening and empathetic responses.
- **Connection-Building Tools:** Techniques to help deepen communication in close relationships.
- **Workshops for Teams:** Group sessions that emphasize active listening to resolve conflicts and enhance communication within teams or organizations.

2. Clear & Succinct Communication Training

Service Overview: For those who want to communicate more effectively, this training refines speaking skills to ensure clarity and brevity. Leveraging my background as

both a pastor and a coach, we'll work together to develop a strong, impactful communication style.

What's Included:

- Personalized Coaching: Direct feedback to help you speak with clarity, structure, and impact.
 - Public Speaking Workshops: Techniques for speaking purposefully in any setting.
 - Speech Anxiety Support: Tips for managing nerves and maintaining a calm, confident voice.
-

3. Public Speaking for Leaders & Pastors

Service Overview: Drawing on years of public speaking experience, this service helps clients develop the skills to speak confidently in both professional and spiritual settings. We'll work on techniques to engage, inspire, and communicate authentically with any audience.

What's Included:

- Leadership Speaking Training: Learn how to craft and deliver inspiring messages for teams and stakeholders.
 - Sermon & Homiletics Coaching (for Pastors): Guidance on sermon structure, voice modulation, and creating a deep connection with your congregation.
 - Group Coaching for Public Speaking Anxiety: Techniques to manage nerves, captivate audiences, and speak with authenticity.
-

4. Transformative Speaking & Communication Workshops

Service Overview: This combined workshop offers both Imago Dialogue techniques and public speaking strategies to foster deeper connections and improve communication in all areas of life.

What's Included:

- Group Imago Dialogue Workshops: Build stronger team or family dynamics by improving communication and empathy.
- Integrated Public Speaking Skills: Practical techniques for confident and impactful self-expression in various settings.

These services are designed to help you connect meaningfully, express yourself confidently, and lead with compassionate communication—foundational skills for building relationships, inspiring others, and making a lasting impact.
